OONI Partner Gathering 2017 Agenda

Day 1 – Monday, 10th July 2017

8:30am

Registration and Breakfast

9:00am Opening Plenary

The event will kickoff with a welcome by the OONI team, brief participant introductions, overview of the agenda, participation guidelines, and meeting logistics.

9:30am Information Controls Around the World

On-the-ground practitioners from a range of geographic contexts will share insights on information controls in their countries and regions, and invite questions.

This session, in particular, will include the following three stations:

- **Africa**
- **Asia**
- **Latin America**

Participants will be encouraged to visit each station (for 15 minutes each) to map information controls and to discuss specific case studies and challenges within countries of each region.

The goal of the session is to provide all participants with a broad range of context on which to establish subsequent conversations at the event.

10:30am Break

10:45am Across the OONI-verse

What's OONI up to these days? What's OONI working on next? How can OONI support your work?

The OONI team will hold the following stations:

- **OONI Mobile Apps**
- **Upcoming OONI apps for Windows and macOS**
- **OONI for Raspberry Pis**
- **Data Analysis & Censorship Alert System**
- **Probe Orchestration**
- **OONI Explorer**

Participants will be encouraged to visit each OONI station (for 15 minutes each) to learn about current and upcoming projects, to ask questions, and to provide feedback.

12:30pm Lunch

Participants are encouraged to sit with others they have not yet met.

1:30pm Building Community Resources for Censorship Measurement Research

Parallel sessions:

- **Using GitHub to Contribute to Test Lists**
- **Brainstorming on Next Generation OONI software tests**

Participants may join the session of their choice.

2:45pm Break

3:00pm Measuring Internet Censorship

Parallel sessions:

- **OONI tests, Your Choices, and Potential Risks**
- **Measuring Internet Blackouts**

Participants may join the session of their choice.

4:00pm Break

4:15pm Using and Analyzing OONI data

Session:

- **Analyzing OONI network measurement data**

5:00pm End of Day 1

7:30pm Meet at the lobby of the Holiday Inn hotel to walk together to dinner

8:00pm Dinner at the Sabai Sabai restaurant

Day 2 – Tuesday, 11th July 2017

8:30am

Breakfast

9:00am Opening Plenary

The day will start with a summary of Day 1 outcomes and a Day 2 agenda overview.

It will also include a post-it exercise which encourages participants to map out the topics that they definitely want to cover as part of the event, subsequently feeding into the rest of the agenda.

9:30am Sharing Partner Knowledge and Experience on Measuring Internet Censorship

This session will consist of the following stations:

- **Measuring Internet Censorship in Africa**
- **Measuring Internet Censorship in Asia**
- **Measuring Internet Censorship in Latin America**

Participants will be encouraged to visit each station (for 15 minutes each) to share experience and knowledge that is specific to measuring internet censorship in countries of each region. More specifically, participants will be requested to map out and discuss their experience, and associated challenges and needs.

10:45am Break

11:00am Strategic Planning

This session will consist of the following stations:

- **NEEDS:** What are your needs to examine internet censorship? How would you like to collaborate with OONI and other partners?
- **PRIORITIES:** What are your priorities in terms of examining internet censorship?
- **SHORT-TERM GOALS:** What would you like to achieve in the short-term (e.g. next 12 months) through our collaboration? How can we achieve these goals?
- **LONG-TERM GOALS:** What would you like to achieve in the long-term (e.g. next 3 years) through our collaboration? How can we achieve these goals?
- **FUNDING:** Identifying and mapping relevant funding sources that could potentially help make our collaboration possible.

Participants will be encouraged to visit each station (for 15 minutes each) to discuss and share their thoughts and feedback.

12:30pm Lunch

Participants are encouraged to sit with others they have not yet met.

1:30pm Community Engagement

Parallel sessions:

- **Strategies for Community Engagement:** Best Practices for Expanding Network Measurements & Engaging New Users Safely
- **Measuring Internet Blackouts - Part 2**

Participants may join the session of their choice.

2:45pm Break

3:00pm Using OONI data for Research and Advocacy

Parallel sessions:

- **How to Use OONI data as part of Your Work**
- **Brainstorming on Questions for Data Visualizations based on OONI data**

Participants may join the session of their choice.

4:15pm Break

4:30pm Closing Plenary

Participants will summarize key outcomes from the event, and discuss next steps for continuing collaboration after the meeting.

5:00pm Adjourn
